

DOG/CAT REGISTRATION IN ALICE SPRINGS

There are **TWO** options for registration with the Alice Springs Town Council.

LIFETIME REGISTRATION OR **ANNUAL REGISTRATION**

Please read each option carefully to ascertain which of the options is best suited to your dog/cat registration needs.

*** You must attend the Civic Centre Reception Desk to complete your Animal Registration. *
Applications for Registration of Dog and/or Cat are not available online.**

Old Aged Dogs/Cats: For dogs/cats 10 years and older. This is only applicable to the **LIFETIME REGISTRATION** option. If you are an Aged Pensioner as described above and your dog/cat is 10 years or older, you can only claim the one discounted fee, not both.

Lifetime Transfer from another Council: This is only applicable if your pet has a microchip implant and you have proof of your pet's previous registration. If your pet does not have a microchip implant then normal fees and procedures apply to obtain a **LIFETIME REGISTRATION** in Alice Springs or you can have the option of the **ANNUAL REGISTRATION**.

Lifetime Transfer (change of ownership) within Alice Springs: This is only applicable if your pet was previously registered as a **LIFETIME REGISTRATION** with the Alice Springs Town Council and there is a record of the registration. Conditions of previous registration will be carried over to new owner. You will be required to supply proof that the previous owner is in support of transfer of ownership to you and you will be required to sign at statutory declaration to say you have legally obtained the animal.

Kennel Licence: If you have more than 2 dogs or more than 2 cats registered to your property an annual **KENNEL LICENCE** is required.

Pensioners: Aged Pensioner rates do apply, but pensioners must provide one of the following pension cards.

These are the **ONLY** concession cards for pensioner rates that we accept for animal registration:

AGE PENSION

CARER PENSION

DISABILITY PENSION

These cards are **NOT** accepted:
